Schedule 1, s6 defines remuneration to be: "includes any form of salary, wages, bonuses, gratuities, taxable benefits, payments into trust or any form of income deferral paid by the corporation to the employee or on the behalf of the employee during the fiscal year being reported upon, whether or not such remuneration is reported under the Income Tax Act (Canada) and does not include anything payable under a severance agreement."

Employee expenses includes amounts paid on College purchasing cards on behalf of employees.

Explanation in terms of sections 6(2)(d) of the Financial Information Regulation

The consolidated total differs from the related figures in the financial statements at March 31, 2020 for the following reasons:

- a.) The financial statements are compiled on an accrual basis in accordance with generally accepted accounting principles whereas the consolidated total shows payments made and/or invoices received.
- b.) The financial statements include all benefits whereas the consolidated total includes only taxable benefits.
- c.) Certain recoveries are offset against expenditures in the financial statements but not in the consolidated total.

Explanation in terms of sections 7(1c) of the Financial Information Regulation

The consolidated total differs from the related figures in the financial statements at March 31, 2020 for the following reasons:

- a.) The financial statements are compiled on an accrual basis in accordance with generally accepted accounting principles whereas the consolidated total shows payments made and/or invoices received.
- b.) The GST rebate has been offset against the expenses in the financial statements whereas the consolidated total shows gross payments/invoices.
- c.) Capital expenditures are shown as payments to the vendor on this report. There was approximately \$13.4 million spent on capital projects that were capitalized and not expensed.
- d.) Certain recoveries are offset against expenditures in the financial statements but not in the consolidated total.

MANAGEMENT REPORT

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with the Canadian generally accepted accounting principles as prescribed by the Public Sector Accounting Board (PSAB), and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Directors is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises this responsibility through the Finance Committee of the Board. The Finance Committee meets with management at least five times per year and the external auditors at least once per year.

The external auditors, KPMG, conduct an independent examination, in accordance with generally accepted Canadian auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Act. Their examination includes a review and evaluation of the corporation's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and free access to the Finance Committee of the Board and meet with it on a regular basis.
