

Strengthen your study with real-world experience

# Automotive Service Technician

HARMONIZED

PRINCE GEORGE

FOUNDATION

30 WEEKS

SEPTEMBER

IN-CLASS

The Automotive Service Technician program will train you to become a skilled technician. You'll develop your preventative maintenance and repair skills, build your understanding of steering and other vital systems, and learn to fulfill other industry needs. Not only is this program a great introduction to the automotive repair and service industry, but it will also create opportunities for apprenticeship positions in dealerships, specialty repair shops, parts departments and even as a service writer.

For up-to-date information on fees, courses, and programs visit
