Dental Hygiene

 PRINCE GEORGE

 DIPLOMA

 TWO YEARS

 SEPTEMBER

 IN CLASS

The Dental Hygiene program prepares you to practice as licensed, regulated, health care professional team members. Dental hygienists are preventative oral health care providers, providing specialized services in oral health education, clinical therapy, and health promotion. Dental hygienists practice in a wide variety of settings, including private clinics and community health settings.

For up-to-date information on fees, courses, and programs visit
