

Job Education Training

Transform Your Employability

Prince George

1 year

September

The Job Education Training Program provides students opportunities to explore and increase their skills and apply them in a workplace setting.

- ⇒ Skill-building tailored to your strengths
- ⇒ Increase your independence and confidence
- ⇒ Explore and nurture your passions
- ⇒ Connect with supportive mentors
- ⇒ Boost your employability

This program is designed for those who face barriers to employment and/or who have diagnosed or undiagnosed disabilities.

What do I need?

Limited admission with a maximum of 15 students.

Each student in the JET program will be assessed by coordinators based on the established criteria in order to best benefit the student in his/her educational and employment goals.

The following list has been established by formalizing an existing process that works to assess each applicant in a holistic way, taking into consideration relevant personal and educational information.

In addition to biographical information, we will ask for the following information, if available:

- ⇒ High school transcript
- ⇒ Reference letter(s)
- ⇒ List of work or volunteer experience
- ⇒ Documentation of disability

All students will have the following items assessed and ranked (1-5 with 5 being the highest) based on conversations with the student and/or supporting person(s). Preference will be given to applicants scoring a 12 or higher (maximum 20 points).

- ⇒ Desire to work
- ⇒ Basic communication skills
- ⇒ Independence (transportation, workplace, etc.)
- ⇒ Previous work or volunteer experience

See specific programs for more details on our website.
