September

CNC puts you in Technology – Naturally

Enjoy a mix of classroom and in-field learning with skilled instructors and personalized instruction. The Natural Resource Forest Technology Program prepares you for an exciting and fulfilling career in the natural resources sector.

The NRFT Program is well suited for students who enjoy an outdoor lifestyle and excel in technology and science.

Why NRFT?

- ⇒ Challenge current environmental issues
- ⇒ Spend your days outdoors
- ⇒ Make a difference in how human activities impact natural resources
- ⇒ Expand technological applications in land use and land stewardship

For up-to-date information on fees, courses, and programs visit
