

# Pipe Trades Foundation

HARMONIZED

PRINCE GEORGE

FOUNDATION

25 WEEKS

FEBRUARY

IN CLASS

This 25-week program prepares students for entry-level employment in four piping trades:

- Plumber
- Steamfitter/Pipefitter
- Gasfitter
- Sprinkler System Installer.

The program is a mix of both hands on and classroom training and allows students to gain experience in four similar trades in one program.

Upon successful completion of the Piping Foundation Program you will receive credit with ITA for Level 1 of all four trades allowing you to seek an apprenticeship in the trade that best fits your career goals and interests.

For up-to-date information on fees, courses, and programs visit

## Admission requirements

- English 10 or English 030 or Communications 11 or equivalent with a grade of “C” or higher.
- Common Grade 10 Math or Apprenticeship and Workplace Math 11 or Trades Math 041 or Math 030 or an equivalent course with a grade of “C” or higher.

Students who do not meet the above requirements and think they may be admissible as a mature student should consult a CNC advisor.

## What you will learn

Topics covered include:

- Using safe work practices
- Piping tools and equipment (measuring and leveling tools, stationary and portable power tools)
- Trade-related math, science, and electricity
- Codes, regulations and standards
- Preparing and assembling piping components

See specific programs for more details on our website. Contact a CNC advisor at 250 561 5818 or [advising@cnc.bc.ca](mailto:advising@cnc.bc.ca) to discuss your educational plan.
