

Real-world training for a career in health care.

# Practical Nurse

 BURNS LAKE - PRINCE GEORGE

 DIPLOMA

 TWO YEARS

 SEPTEMBER

 IN-CLASS

The Practical Nursing (*PN*) program provides opportunities to develop the knowledge, skills, attitudes, and judgement needed to help patients and families in community, acute, and long-term care settings. This program's focus is on providing care with a holistic, multidisciplinary approach that encourages the practical nurse to participate in collaborative practice with other members of the health care team.

After successful completion of the national licensing exam, you can work in health-care settings such as hospitals, nursing homes, rehabilitation centres, clinics, occupational health units, community nursing services, and private homes.

For up-to-date information on fees, courses, and programs visit
