

A photograph of two men in a power plant. One man, wearing a dark jacket, is pointing upwards towards a complex system of pipes and machinery. The other man, wearing a blue jacket and glasses, is looking in the same direction. The background shows industrial equipment, including large pipes and a blue fan.

Power Engineering 4th Class

Earn a fulfilling career as a power engineer with this 4th class certificate! Class four provides you with the practical and technical training to operate and maintain power plants.

 Prince George,
Quesnel

 Certificate

 40 Weeks

 September
