Web and Graphic Design

 PRINCE GEORGE

 DIPLOMA

 TWO YEAR

 SEPTEMBER - JANUARY

 IN CLASS

Develop your skills and express your creativity

If you want to work as a creative professional in a career you love, then CNC's Web & Graphic Design Program is for you.

What you will learn

Learn visual and online communication strategies, digital art and interactive media, web design, typography, project management and creative problem solving while you prepare promotional materials to promote yourself and other businesses.

Our one and two-year programs offer a creative learning environment that spans multiple disciplines yet still gives you the opportunity to specialize in a chosen field. Use programs like Photoshop, Illustrator, Dreamweaver and Premiere Pro along with other Adobe Creative Cloud Software.

For up-to-date information on
fees, courses, and programs visit

Admission requirements

1. One of the following:

- Successful completion of Grade 12 with English 12 or English 12: First Peoples.
- Successful completion of ABE/Academic Upgrading Advanced Certificate (with English 050 or equivalent).
- Mature student status (please consult a CNC advisor) plus completion of an English assessment administered by the college and upgrading in English if required.

Note: Basic computer skills are required. You will be required to use a mouse and keyboard or alternative means to interact with the operating system and software programs.

Industries

Web & Graphic Design graduates could end up working either “in house” for large or medium-sized organizations or for agencies that get hired by other organizations. Many designers also choose to be self-employed as freelancers, either full-time or in addition to other work.

Potential workplaces include:

- Web design and development studio
- Graphic design agency
- Marketing and advertising agency
- Media or publishing company (including print, online, or television)
- In-house marketing and communications department
- Film and video production company
- Sign and graphic company
- Copy and print centre

See specific programs for more details on our website. Contact a CNC advisor at 250 561 5818 or advising@cnc.bc.ca to discuss your educational plan.
