

# Basic First Aid

## Course Overview

**\$229**

This is an 8-hour course designed to provide lifesaving first aid skills to workers in industry. Successful students will receive a 3-year Worksafe BC certificate. This course was previously called **OFA level 1**.

No previous first aid training is required. Successful completion requires 100% participation and attendance, competency performing all first aid skills, and passing the written exam.

### Additional Information

Candidates must:

- Be at least 16 years of age,
- Have minimal but sufficient upper body strength and knee agility to complete first aid skills and lift patients and equipment,
- Be able to perform the first aid skills required,
- Provide government-approved Photo ID, and
- Wear socks and remove footwear in the classroom.
