

Fundamentals of Addiction Support

Care Models and Modalities for Addiction Treatment

Course Overview

\$506.22*

In this course, students will examine addiction treatment models and counselling modalities framed within a bio-psycho-social context. Students will critically explore various approaches to treatment, considering their effectiveness and applicability.

Part 2 of 3 for Fundamentals of Addiction Support micro-credential.

This course includes 18 hours of live online instruction and 12 hours of self-paced, instructor-supported learning.

Admission Requirements:

Prior education, experience or training in the helping fields, and a desire to develop skills to support vulnerable people with addictions. People with lived experience are encouraged to apply.

30 Hours Offered Online

1

2027S CECX 155 101

January 6 - February 10, 2027

Online synchronous & asynchronous learning

Wednesday | 6:00pm - 9:00pm

Registration recommended by Tuesday, December 22, 2026

Please register before the recommended date as courses under-enrolled as of this date may be cancelled. Registrations after this date will be accepted if space is available.

This course is part of the Fundamentals of Addiction Support Micro Credential series, which may be eligible for funding through the StrongerBC future skills grant when students register in all three required courses.

See the StrongerBC future skills grant for details.

*Tuition is subject to applicable student fees and taxes.
