

Microsoft Excel Intermediate

**7 Hours
Offered In-Person**

Course Overview

\$155*

Go beyond the basics and see the results of your hard work pay off. In today's working world, an understanding of Excel is a requirement of nearly all professionals from Administrators to Project Managers. Become comfortable using Excel online, automating worksheets, exporting, sorting and analyzing data, and creating professional-grade documents.

Microsoft 365 Excel will be used - skills learned are transferable to other versions.

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.

Textbook:

Course materials are provided.

*Tuition is subject to applicable student fees and taxes.
