

Project Management Essentials

Course Overview

\$1,337.06

This course is perfect for those who need a more hands-on, in-depth encounter with the complex and engaging world of Project Management.

In this course, you will develop the ability to work with multiple projects within a larger portfolio at your organization. Engage with the latest Project Management tools to perform tasks in theoretical scenarios and refine your skills for real-world implementation.

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.

Prerequisite:

Project Management Fundamentals CEPJ110

Additional Information:

This course is comprised of 45 hours of online lectures and 15 hours of self-directed online learning.

Textbook:

Course materials are provided.

60 Hours Offered Online

1

2026S CEPJ 115 101

March 14 - May 16, 2026

Saturday | 9:00am - 2:30pm

Registration recommended by

Friday, February 27, 2026.

Online

Please register before the recommended date as courses under-enrolled as of this date may be cancelled. Registrations after this date will be accepted if space is available.

Project Management Fundamentals and Project Management Essentials align with Project Management Institute (PMI)® education requirements and may be applied toward PMP® or CAPM® certification.

Students are encouraged to contact PMI® directly or consult the appropriate certification handbook to confirm how these course hours apply to their chosen designation.
