

Red Cross Basic First Aid with CPR-C

Course Overview

\$295*

This Canadian Red Cross course provides participants with the knowledge and skills to recognize and respond to common first aid emergencies.

Topics include emergency scene management, breathing and circulation emergencies, wound care, and other basic first aid situations.

CPR and choking skills are included, with CPR-C delivered depending on the requirements of the course offering.

Participants who successfully complete the course will receive the applicable Canadian Red Cross certification.

7 Hours (1 Day) Offered In-Person

1

2026 CEFA 119 301

September 25, 2026

Friday | 8:30am - 4:30pm

Registration recommended by

Friday, September 18, 2026.
