

Emergency Childcare First Aid

Course Overview

Be confident keeping children safe in your care. This course will demonstrate how to handle emergencies involving children such as: recognizing home hazards, accident prevention, and safety education skill; with first aid training in rescue breathing, CPR, bleeding management and common first aid situations (choking, burns, poisons, fall and shock).

This course is approved by the Provincial Child Care Facilities Board for Family Daycare Licensing.

Fees

\$259

Additional Information
