

Occupational First Aid Level 1

Course Overview

This Worksafe BC class provides training in basic first aid skills including AED, C-spine control, respiratory and circulatory emergencies, minor soft tissue injuries, accurate completion of the required documentation, as well as new modules on the identification and management of stroke, diabetes, seizures and fainting.

Students will receive their OFA Level 1 tickets from Northland First Aid, valid for 3 years, upon successful completion of a written exam and practical evaluation by the instructor. Participants must be 16 years or older. Photo ID required.
