

# Occupational First Aid Level 3

## Course Overview

Learn the skills to function as part of an effective first aid program in the work place. You will learn how to positively effect the outcome when an incident happens. This includes being trained in becoming fast and efficient at diagnosing the patients condition, administering advanced lifesaving techniques and preparing a patient for transportation.

## Fees

\$1810

## Additional Information

Students must be prepared for intensive reading and homework study. There is pre-reading required before classes begin. Photo ID required in class. Please bring knee pads and indoor shoes. Certificates issued by Northland First Aid.

## Ready to Register?

Phone 250 692 1747.

## Did you know?

First aid is the earliest and easiest management a bystander can do to a victim, yet most people wouldn't feel confident enough to even try and save a life. Being trained in First Aid can make all the difference.
