

# Foodsafe Level 1

**7 hours  
Offered 1 time**

## Course Overview

**\$35**

Whether you are upgrading your skills or renewing your certification, this course will ensure you have the basic skills for safe food handling & preparation. Topics include food borne illness, personal hygiene and health, serving and dispensing, protecting and preparing food, receiving and storing food safely, dishwashing methods and types of germs and diseases.

### Additional Information

CNC is the proud recipient of an Iris Energy Community Grants Program. With this grant we are able to offer this course at a reduced cost to participants.

Seats are limited. Register today!
