

Local Anesthesia for Dental Hygienists- Theory

Course Overview

\$499

This 30-hour course provides theoretical fundamentals of local anesthesia administration for dental hygienists who require local anesthetic certification in British Columbia.

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.

2-Part Course

Students must complete both this course and **Local Anesthesia for Dental Hygienists- Clinical** in order to meet the criteria of the College of Dental Hygienists of BC. Upon successful completion, you will obtain certification authorizing you to administer local anesthesia.

Course Requirements

- Graduation from an accredited dental hygiene program.
- Current registration with the College of Dental Hygienists of BC

Textbook

Handbook of Local Anesthesia by Stanley F. Malamed. 7th edition
- order it at our CNC bookstore.
