

At Home Alone & First Aid

Course Overview

Important skills are learned through interactive lessons and role-play that help make you and your parents more confident when you're at home alone. The first aid section will teach you how to check for safety at home and in the community, safely respond to medical emergencies and care for an injured person. Includes student handbook.

Course requirements

For ages 9-13. Must be 9 years of age by the day of the course.

Supplies

Bring a clean, empty 2L pop bottle, a doll or stuffed animal and your own lunch and snacks.

Fees

\$79 + GST
