

# Microsoft 365 Teams Online Boot Camp

## Course Overview

**\$149**

Continue your MS 365 journey by learning to navigate the Teams interface. Learn how to create and manage a custom, public, private or departmental team or channel where you can collaborate on files, share messages, and facilitate audio and video team meetings. You can be part of as many teams as you like, and you can join or leave teams as needed.

Our Microsoft Teams Online Boot Camp will be instructor-led over two evenings. Take your ideas from dreams to teams!

Microsoft 365 will be used - skills learned are transferable to other versions

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.
