

Microsoft 365 Excel Next Level Online Boot Camp

Course Overview

\$149

Go beyond the basics, build up your strength, and become familiar with more advanced features in Excel. This course assumes you have recovered from basic training enough to tackle advanced formulas, charts, and PivotTables. Learn to analyze, organize, visualize data, and work with graphical objects to enhance your workbooks and create a visual impact.

Our Next Level Online Boot Camp remains instructor-led over two evenings. Learn Excel from your own working space and get stronger every day!

Microsoft 365 Excel will be used - skills learned are transferable to other versions.

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.
