

Management Skills for Supervisors

Group Decision Making and Problem-Solving Skills

Course Overview

\$640

Want a great team? Start by hiring the right people! This course will give you the tools you need to differentiate between an average applicant and an exceptional one.

Some questions we will answer during this course include:

- What are three of the most challenging employee types?
- How do you conduct effective performance evaluations?
- What are some frequent complaints from front-line employees? (What are they?).
- Which skills do you need to conduct effective meetings, and facilitate productive conversations?
- How to know which decisions should be made by leaders, and the level of employee input most appropriate for those decisions.

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.
