

Joint Occupational Health & Safety Committee Fundamentals

Course Overview

\$199

This introductory course is designed for new OH&S committee members or those members seeking a refresher. You will examine the occupational health and safety committee, its role, selection of members, activities, conduct of meetings, writing recommendations, planning educational leave, and reaching committee objectives. This course meets the new (Provincial) mandatory minimum training requirements for new joint committee members.

You will receive access to four online modules prior to the course start. You complete them at your own pace in the days leading up to the course; or during the morning of the course before 12:30 pm. Then, from 12:30 pm - 4:30 pm you will join the instructor and your fellow classmates online.

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.
