

# Instructional Skills Workshop

## Course Overview

**\$525**

This program provides information on teaching adult learners, developing useful learning objectives and lesson plans, eliciting learner participation, and evaluating learning. The feedback focuses on the learning process and encourages reflection and examination of one's practice. The Instructional Skills Workshop promotes participatory learning, builds community, and provides a sense of collegiality for participants.

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.

Select sections of CECP 156 course may be eligible for the future skills grant. Learn more about eligibility and how to apply for funding by visiting [cnc.bc.ca/futureskills](https://cnc.bc.ca/futureskills).
