

# Project Management Essentials Level 2

## Course Overview

**\$1,227**

This course is perfect for those who need a more hands-on, in depth encounter with the complex and engaging world of Project Management.

In this course, you will develop the ability to work with multiple projects within a larger portfolio at your organization. Engage with the latest Project Management tools to perform instrumental tasks in meaningful theoretical examples to refine these skills for real-world implementation.

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.

### Prerequisite:
