

Occupational First Aid Level 3

Course Overview

Learn the skills to function as part of an effective first aid program in the work place from our top quality instructor. You will learn how to positively affect the outcome when an incident happens. This includes being trained in becoming fast and efficient at diagnosing the patient's condition, administering advanced lifesaving techniques and preparing a patient for transportation.

Fees

\$1499

Additional Information

Students must be prepared for intensive reading and homework study. There is pre-reading required before classes begin. Photo ID required in class. Please bring knee pads and indoor shoes. Certificates issued by Northland First Aid. 30 min lunch break.
