

Management Skills for Supervisors

Interpersonal Communication and Conflict Resolution

Course Overview

\$652

There is no doubt that we all need to have difficult conversations at times, especially as a manager. If you want to better handle difficult conversations and achieve positive outcomes, you will appreciate this practical course. Cover common factors in miscommunication; concepts of motivation, intention, and perception; and learn all five conflict-handling styles and identify when to use them.

You will become a confident communicator through the development of listening, assertiveness, questioning, paraphrasing and feedback skills.

Course materials are provided.

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.
