

Microsoft 365 Excel Basic Skills (Level 1)

Course Overview

\$152

Are you new to Microsoft 365 Excel? In today's working world, an understanding of Excel is a requirement of nearly all professionals from Administrators to Project Managers. This basic training will get you up to speed with Excel quickly. You will learn to create a new spreadsheet, use basic formulas and functions, and present your data with a professional look.

Our Basic Training Online Boot Camp will be instructor-led over two evenings. Learn Excel in your own working space and don't sweat it!

Microsoft 365 Excel will be used - skills learned are transferable to other versions.

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.
