

Commercial Vehicle Inspection Endorsement

Course Overview

\$450

Train to inspect and certify autos, commercial vehicles (with a licensed Gross Vehicle Weight GVW) of 5500 kg or less, motor vehicles having a licensed GVW of more than 5500 kg, buses having a licensed GVW of more than 5500 kg, school buses and commercial trailers and semitrailers. Upon successful completion of this exam, you will receive a Commercial Vehicle Safety and Enforcement Endorsement, which will be attached to your current ticket.

Textbooks & Supplies

[BC Services Card app](#)

Subscription to [Online Vehicle Inspection Manual](#) required. Details to be emailed after registration. CSA approved safety glasses and footwear are required.

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.

Prerequisites

Participants must hold a TQ in the heavy duty, automotive, or commercial transport industries to receive provincial certification.

Those seeking motorcycle endorsements must demonstrate graduation from an acceptable training program.

This course requires participants to have strong computer skills.
