

Advanced First Aid

70 hours; two weeks

Course Overview

\$1875

This 70-hour comprehensive course is offered with the objective of qualifying candidates for certification by WorkSafe BC as first aid attendants in industry. Instruction will be provided in both theory and practical applications. Topics include anatomy and physiology, injury and body response, resuscitation and new procedures in patient care.

This course has been reviewed and redesigned to ensure students, instructors and staff remain safe and healthy.

The successful student will receive a 3-year Advanced First Aid Certificate.
