

CACG Level 1 Chainsaw Basics

Course Overview

Join Al, our top-notch instructor who grew up working with chainsaws, for this hands on course. You will learn: basic personal safety, worksite safety requirements and practices, as well as limbing, tapping, and bucking practices for chainsaws and other equipment.

Fees

\$1375

Additional Information

Students must supply their own CSA approved safety toe work boots. All other equipment will be supplied.
