New Caledonia

Convocation

2020

Congratulatory Notes

From the Board Chair

CNC takes great pride in bringing people and potential together. We recognize the vital importance of collective learning, the amplification of ideas, and inspiration that can only come from gathering together.

This year, the COVID-19 pandemic challenged our understanding of what it means to gather together. To adhere to physical distancing requirements, classes moved to alternate delivery and we adapted convocation to a virtual ceremony. I commend the CNC graduating class of 2020 for weathering the challenges brought on by this pandemic.

I want to thank you for your diligence and commitment to your studies and the hard work that brought you to today's celebration. As the graduating class of 2020, you are now ambassadors of CNC in the community. Use your unlimited potential to create meaningful change in our community, country, and the world. The milestone you achieved today is just the beginning. I congratulate you on all your accomplishments and wish you the best in the future.

Sincerely,
Gil Malfair
CNC Board Chair

From the President

This year, CNC celebrated its 50th anniversary. Throughout that time, the College has remained a pillar of the community and a student focused institution of learning. We are committed to providing CNC graduates with the education and skills necessary to contribute positively to our province and our country. No matter where you find yourself in life, you are, and always will be, part of the CNC Community.

I would be remiss if I didn't acknowledge that the current coronavirus pandemic has had an impact on all of you. It has changed the way you live, work, and study. I am particularly proud of all of you for successfully completing your studies despite the rapid change to alternate delivery. Your ability to adapt and be successful should be celebrated.

Thank you for choosing CNC. Your education will serve you well throughout your career. I wish you every success in the future and hope you will maintain your connections with us as a proud CNC alumnus.

Sincerely,
Dr. Dennis Johnson
President and CEO

Virtual Convocation 2020

Special Awards

Governor General's Academic Collegiate Bronze Medal Award

The Governor General's Academic Medal was first awarded in 1873 by the Earl of Dufferin, and has since become one of the most prestigious awards that a student in the Canadian educational institution can receive. Her excellency, the Right Honourable Governor General of Canada continues this tradition of encouraging scholarship across the nation and recognizing outstanding students.

This year's recipient, **Katy Lauren Brown**, a graduate of CNC's Social Service Worker UT Diploma program, received the highest GPA across all of the College's diploma programs for the programs for the 2018-2019 academic year. She is currently continuing her full time BSW studies at UNBC.

Mary John Award of Excellence

Mary John Senior was born in Lheidli in 1913. She married Lazare John and lived in his home community of Saik'uz, formerly known as Stoney Creek. They had twelve children, and raised three others as their own. Through her life Mary was a champion of cultural preservation and Aboriginal rights.

Mary grounded her work in traditional practices and principles and was a visionary who hoped for a better future. She served on many economic development committees and built cultural

bridges of understanding. She was devoted to the preservation of her culture and language – and took every opportunity to educate and mentor others. In 1997, Mary received the Order of Canada for outstanding service to her community.

The Mary John Award of Excellence is presented annually to an Aboriginal CNC student who strives to emulate Mary's legacy through service to the community. The recipient of the Mary John Award of Excellence for 2020 is **Brandon Jack**.

Brandon is a role model who exemplifies the values of Mary John in many ways. He has volunteered many hours for causes such as the Moosehide Campaign, Orange Shirt Day, Indigenous Veterans, and Missing & Murdered Women. Brandon constantly engages with students in the Aboriginal Resource Centre offering mentorship and encouragement. He has been involved in the CNC Students' Union for several years, serving as the Indigenous representative. In this role, Brandon engages with all students at CNC, "walking in both worlds," and building bridges between all cultures.
