

# Forging & Toolcraft

## Course Overview

Spending time outdoors is a great escape for youth! When they keep in mind "the more you know, the less you need to carry" they can both travel lightly and make use of everyday items in creative and rewarding ways. This introductory workshop will show youth how to turn nature into useful and important tools for survival in the outdoors.

## Fees

\$139

## Additional Information

Students must wear clothes that can be damaged while working with dirty metal. A long sleeve shirt, full length pants, and shoes/boots are recommended. Additionally, students will be outside for most the day - dress appropriately. All supplies are provided. Students are expected to pack a lunch. This course is for youth ages 9 - 13.
