

High Five: Principles of Healthy Child Development

Course Overview

Front-line leaders (coaches, camp leaders, teachers) who work with children aged 6-12 will gain in depth training of healthy child development so you will understand each child's social, emotional and cognitive needs. Leaders learn activities and gain knowledge, tips, and resources to enhance programs and relationships with children and other staff members. Topics also include: bullying, conflict resolution, physical literacy, children's mental health and moderate to vigorous physical activity.

Fees

\$65 + \$55 textbook
