

Home Alone

Course Overview

The Home Alone course is designed to provide children the necessary skills and knowledge to be safe and responsible when home alone for short periods of time. It will help them understand how to prevent problems, handle real-life situations, stay safe and constructively occupied. The course material covers such topics as establishing a routine, house key is your responsibility, strangers, telephone, emergencies, basic first aid, and internet safety.

Fees

\$85

Additional Information

Must be 10 years of age or older. Please bring a pencil and pack a lunch.
