

Home Alone One day Course

Course Overview

\$80

The Home Alone course is designed to provide children 10 years of age and older with the necessary skills and knowledge to be safe and responsible when home alone for short periods of time. It will help them understand how to prevent problems, handle real life situations, and keep them safe and constructively occupied. The course focuses on small group discussions, problem solving, role playing, and instructor led demonstrations. The course material covers topics such as: Establishing a routine, house keys are your responsibility, strangers, telephone safety, emergencies, basic first aid, and internet safety.
