

Intermediate First Aid

16 hours

Course Overview

Intermediate First Aid prepares employees to handle more complex emergencies effectively. This 16-hour course provides the first aid knowledge and training required for the Intermediate First Aid certificate from WorkSafeBC. The certificate is valid for 3 years.

Additional Information

Candidates must

- Be at least 16 years of age,
- Have minimal but sufficient upper body strength and knee agility to complete first aid skills and lift patients and equipment,
- Be able to perform the first aid skills required,
- Provide government-approved Photo ID, and
- Wear socks and remove footwear in the classroom.
