

Introduction to American Sign Language (ASL)

Course Overview

\$299

Learn the basics of American Sign Language (ASL) and gain a deeper understanding of Deaf culture. In this introductory course, you will develop foundational ASL skills, including fingerspelling, basic vocabulary, and everyday conversations. You will also learn about the history and culture of Deaf communities and the importance of ASL as a language.

Taught by a Deaf instructor, this course provides an interactive and engaging learning experience. Through hands-on practice and group activities, you will build confidence in signing and communicating in a supportive environment.

Textbook

Students will need to purchase the Signing Naturally Units 1-6 Student Workbook; it will be available at our bookstore.
