

Microsoft PowerPoint

Course Overview

\$218

PowerPoint is more than just slides. It's your key to delivering impactful presentations with ease. Whether you're a novice or looking to brush up on your skills, this course is designed to equip you with the essential tools and techniques to become a PowerPoint professional in no time.

Upon successful completion of this course, the student will be able to:

- Create and save PowerPoint presentations
- Use PowerPoint help features
- Build, lay out, edit, view, and navigate presentations
- Format characters, paragraphs, and text boxes
- Insert images, shapes, and WordArt
- Edit, format, group, arrange, and animate objects
- Create and format tables or insert tables from other Microsoft 365 applications
