

# Project Management Essentials

## Course Overview

**\$1,250**

This course is perfect for those who need a more hands-on, in depth encounter with the complex and engaging world of Project Management.

In this course, you will develop the ability to work with multiple projects within a larger portfolio at your organization. Engage with the latest Project Management tools to perform tasks in theoretical scenarios and refine your skills for real-world implementation.

Approximately one week before the course starts you will receive a confirmation email that provides additional course details.

### Prerequisite:

Project Management Fundamentals CEPJ 110

### Additional Info:

This course is comprised of 45 hours of online lectures and 15 hours of self-directed online learning.

### Textbook:

Course materials are provided.
