

Social Media & Internet Safety for Seniors

Course Overview

Old school, meet new school. After taking this course you will have learned how to establish an online presence in an ever-changing digital society, allowing you to socialize in new ways. Understand the differences between popular social media channels, get up to speed on the popular buzzwords, and discover the basics of setting up a profile, all while practicing information sharing & internet safety as you navigate these new opportunities.

Fees

\$49
