

WHMIS 2015

Course Overview

Familiarize yourself with the “WHMIS” system and how it is used in workplaces. WHMIS is part of the knowledge needed to protect yourself and your co-workers from hazardous products. Because of the WHMIS 2015 update, the improved classifications, labels, and safety data sheets help improve communication, clarity, and worker safety.

Fees

\$149

Additional Information

Tip: Take this in coordination with Transportation of Dangerous Goods.
