Acknowledgement of Territories and Aboriginal Partners

CNC is honoured to work with the Aboriginal people in this region, inclusive of the First Nations, Métis and Inuit peoples. We acknowledge the graciousness of the First Nations peoples in welcoming those who are seeking knowledge on their traditional unceded territories. As indicated on the map, CNC has campuses in six communities, serving 22 First Nations communities.

The communities served by CNC

22 First Nations communities and nine municipalities served by CNC

Congratulatory Notes

From the Board Chair

CNC takes great pride in bringing people and potential together. We recognize the vital importance of collective learning, the amplification of ideas, and inspiration that can only come from gathering together. The COVID-19 pandemic has challenged our understanding of what it means to gather together.

My colleagues on the Board of Governors and I are impressed with your accomplishments, especially in how quickly you've adapted to a changed learning environment. As the graduating class of 2021, you are now ambassadors of CNC in the community. Use your unlimited potential to create meaningful change in our community, country, and the world. The milestone you achieved today is just the beginning. I congratulate you on all your accomplishments and wish you the best in the future.

A handwritten signature in blue ink, appearing to read "Gil Malfair".

Sincerely,
Gil Malfair
CNC Board Chair

From the President

Your journey at CNC was unlike any before. This pandemic has put much of our world on hold, but not the graduating class of 2021. You adapted, you progressed, and you persevered, all to reach your graduation today. And that is a moment truly worth celebrating. One of many to come as you make the pivotal transition to your next professional or educational milestone.

CNC is committed to providing graduates with the education and skills necessary to contribute positively to our province, and our country. No matter where you find yourself in life, you are, and always will be, part of the CNC Community.

Your education will serve you well throughout your career. I wish you every success in the future and hope you will maintain your connections with us as a proud CNC alumnus.

A handwritten signature in blue ink, appearing to read "Dennis Johnson".

Sincerely,
Dr. Dennis Johnson
President and CEO

Special Awards

Governor General's Academic Collegiate Bronze Medal Award

The Governor General's Academic Medal was first awarded in 1873 by the Earl of Dufferin, and has since become one of the most prestigious awards that a student in the Canadian educational institution can receive. The Right Honourable Governor General of Canada continues this tradition of encouraging scholarship across the nation and recognizing outstanding students.

This year's recipient, **Gillian Piper**, a graduate of CNC's Medical Laboratory Technology of Science program, received the highest GPA across all of CNC's diploma programs for the programs for the 2019-2020 academic year. She is currently working as a Medical Laboratory Technologist at the Dawson Creek District Hospital. *"If my life could represent one single message that others could learn from, it would be that even though you may not always start out running in life, with great determination and a passion to succeed, you can still cross the finish line in first place."* - Gillian Piper

Mary John Award of Excellence

Mary John Senior was born in Lheidli in 1913. She married Lazare John and lived in his home community of Saik'uz, formerly known as Stoney Creek. They had twelve children, and raised three others as their own. Through her life Mary was a champion of cultural preservation and Aboriginal rights.

Mary grounded her work in traditional practices and principles and was a visionary who hoped for a better future. She served on many economic development committees and built cultural bridges of understanding. She was devoted to the preservation of her culture and language – and took every opportunity to educate and mentor others. In 1997, Mary received the Order of Canada for outstanding service to her community.

The Mary John Award of Excellence is presented annually to an Aboriginal CNC student who strives to emulate Mary's legacy through service to the community. The recipient of the Mary John Award of Excellence for 2020 - 2021 is **Ty Cahoose**, Lhtako Dene First Nation.

Ty Cahoose is a role model who exemplifies the values of Mary John in numerous ways. Ty reaches out to other students to provide help and encouragement and is always willing to build bridges between cultures. Ty attends most community events and is determined to contribute to improving the lives of his family, particularly his beloved grandmother, and his community.
