## Special Awards

### Governor General's Academic Collegiate Bronze Medal Award

The Governor General's Academic Medal was first awarded in 1873 by the Earl of Dufferin, and has since become one of the most prestigious awards that a student in a Canadian educational institution can receive. The Right Honourable Mary May Simon, Governor General of Canada, continues this tradition of encouraging scholarship across the nation and recognizing outstanding students.

The recipient of The Governor General's Academic Medal is **Julia Pryde**, graduating from the Medical Laboratory Technology Science Diploma.

### Lieutenant Governor's Medal for Inclusion, Democracy, and Reconciliation

The Lieutenant Governor's medal program was established in 1979 to recognize students who excel in their studies and contribute to the life of their institution or community.

In 2019, the medal program criteria were expanded to recognize students who have made outstanding contributions in the promotion of inclusion, democracy and/or reconciliation within their campus community.

We are very pleased to announce that CNC's recipient of the 2024 Lieutenant Governor's Medal for Inclusion, Democracy and Reconciliation is **Kiaya Morrissey**.

### Mary John Award of Excellence

Mary John Senior was born in Lheidli in 1913. She married Lazare John and lived in his home community of Saik'uz, formerly known as Stoney Creek. They had 12 children, and raised three others as their own. Through her life Mary was a champion of cultural preservation and Aboriginal rights.

Mary grounded her work in traditional practices and principles and was a visionary who hoped for a better future. She served on many economic development committees and built cultural bridges of understanding. She was devoted to the preservation of her culture and language – and took every opportunity to educate and mentor others. In 1997, Mary received the Order of Canada for outstanding service to her community.

The Mary John Award of Excellence is presented annually to an Aboriginal CNC student who strives to emulate Mary's legacy through service to the community. The recipient of the Mary John Award of Excellence is **Darien Davis**.
