

College of
New Caledonia

Convocation

2025

Acknowledgement of Territories and Aboriginal Partners

The College of New Caledonia is honoured to work with the Aboriginal people in this region, inclusive of the First Nations, Metis, and Inuit peoples. CNC's six campuses are situated on First Nations' territory, providing programs and services to 22 First Nations communities within our catchment region. We acknowledge the graciousness of the First Nations peoples in welcoming those who are seeking knowledge on their traditional unceded territories.

Congratulatory Messages

From the Board Chair

It's a privilege to be with you today celebrating Convocation 2025, on behalf of the CNC Board of Governors.

Today signifies the end of a remarkable journey, one that has been enriched with diverse experiences, obstacles, and accomplishments for you and your peers. Convocation allows you to reflect on the cherished memories from your time at CNC, the valuable lessons acquired, and the growth you have undergone.

Whether you are embarking on your career journey or pursuing further education, you have the strength, knowledge, and skills to overcome any challenge and achieve your dreams.

Congratulations once again, graduates. Best wishes as you embark on the next chapter of your lives.

**Sincerely,
Judy Vasily
Board Chair**

From the President

Dzenes honzoo - good day!

Hadih and welcome to Convocation 2025! Years ago, as a CNC student, I crossed the stage where you are about to walk, filled with optimism for the future. Today, it is my privilege to stand here and offer heartfelt congratulations on behalf of all CNC employees as you begin your next chapter.

Convocation brings me great joy, and I hope it fills you with the same thrilling excitement. Witnessing CNC students in action, whether in classrooms or within the community, always touches my heart. Your commitment to learning, passion for discovery, and drive to succeed are truly inspiring.

CNC's vision statement includes the Dakelh phrase nus 'uzteleh, meaning "we will create the future." As you move forward, whether reaching new career heights or continuing your education, I am confident in your ability to make a remarkable difference.

Please take this moment to celebrate your incredible achievements and the unwavering support of those who stood by you. My heartfelt congratulations to each one of you!

Snachalhuya - thank you.

**Sincerely,
Cindy Heitman
President**

Special Awards

Governor General's Academic Collegiate Bronze Medal Award

First awarded in 1873, the Governor General's Academic Collegiate Bronze Medal is one of Canada's most prestigious student honors, celebrating academic excellence and continuing a tradition of national scholarship recognition.

The 2025 recipient of the Governor General's Academic Collegiate Bronze Medal Award is Melyssa Renshaw.

This prestigious recognition is a testament to Melyssa's exceptional dedication, hard work, and commitment to academic excellence. Throughout her studies in the Diagnostic Medical Sonography Diploma Program, Melyssa consistently demonstrated an outstanding level of achievement, culminating in her remarkable 4.330 GPA, the highest in her graduating class.

Melyssa's academic success is matched by her professionalism and passion for the healthcare field. As she moves forward in her career, she carries with her the distinction of being among Canada's most accomplished students, joining a long legacy of scholars recognized by the Governor General's Academic Medal.

Reflecting on her journey, Melyssa shared how much the experience, and the recognition, has meant to her:

"The past two years have been the most humbling and rewarding experience of my life. I am deeply honoured to receive the Governor General's Academic Medal — a recognition I carry with immense gratitude," she said. "I extend my sincere thanks to the College of New Caledonia for offering a program that not only prepared me for a career in Diagnostic Medical Sonography but also instilled essential life skills and confidence in me. I would also like to thank my family and friends for their encouragement and extensive support throughout this journey."

Lieutenant Governor's Medal for Inclusion, Democracy, and Reconciliation

The Lieutenant Governor's Medal, established in 1979, honours students for academic excellence and community involvement. Since 2019, it also recognizes contributions to inclusion, democracy, and reconciliation on campus.

The 2025 recipient of the Lieutenant Governor's Medal of Inclusion, Democracy, and Reconciliation is Grace Burke. Graduating from the Social Service Worker University Transfer Diploma program, Grace is leaving an extraordinary legacy of advocacy, leadership, and community impact.

Throughout her time at CNC, Grace has consistently demonstrated a deep commitment to social justice and community wellness. As co-organizer of the "Care Is Not Forced" rally in Prince George, she elevated the voices of individuals living with mental illness and substance use disorders, particularly within Indigenous communities. Her dedication to systemic change was further evident when she co-authored a powerful article calling for inclusive and equitable shifts in BC's social policy landscape.

Grace's passion for equity led her to found and serve as president of CNC's Social Justice Club, a space for students to engage in meaningful dialogue and action. Beyond campus, she has been a tireless advocate for food security, housing access, LGBTQIA2S+ rights, and culturally grounded care. Her volunteer work with the Queer Connections Society, the Elizabeth Fry Society, and the Houston Link to Learning demonstrates her commitment to uplifting marginalized voices.

She has also contributed to broader conversations through research and storytelling. Her videography documenting land-based healing and Indigenous rights has been featured on CBC, Democracy Now, and the Netflix documentary, Yintah.

Grace will be continuing her advocacy and research through the Bachelor of Social Work program at UNBC. She remains deeply engaged in issues related to forced care and community wellness and plans to continue making a difference through grassroots activism, research, and public education.

Grace's work is a powerful reminder of the impact one individual can have when guided by compassion, courage, and conviction. She exemplifies the spirit of the Lieutenant Governor's Medal for Inclusion, Democracy, and Reconciliation and as she departs, CNC, she leaves students a place to feel more engaged, included, and inspired than ever before.

Mary John Award of Excellence

Born in Lheidli in 1913, Mary John Sr. was a devoted advocate for Aboriginal rights and cultural preservation. She and her husband, Lazare John, lived in Saik'uz and raised twelve children of their own, along with three others as family. Grounded in traditional values, she promoted economic development, cultural understanding, and education. In 1997, she received the Order of Canada for her exceptional service. In her honour, the Mary John Award of Excellence is presented annually to a CNC student who exemplifies her commitment to community service and the revitalization of language and culture.

The 2025 recipient of the Mary John Award of Excellence is Kerry Thomas.

Kerry is a dedicated and compassionate student who is committed to community, culture, and reconciliation in his work at CNC and beyond. Kerry is currently enrolled in CNC's Academic Upgrading program with plans to continue his studies in Natural Resources and Forest Technology.

A consistent and reliable presence in CNC's Drumming Group, Kerry plays a vital role in supporting Indigenous cultural events both on campus and in the wider community. He is known for his dependability, regularly stepping up to gather and lead volunteers for ceremonies, celebrations, and awareness events. His quiet leadership and steady presence help ensure these cultural moments are honoured and supported with the respect they deserve.

As a proud member of the Wuikinuxv First Nation, Kerry acts as a role model and advocate for Indigenous awareness through his many guest speaker appearances. He shares his experiences and perspectives with honesty and generosity, helping to educate others and foster a deeper understanding of Indigenous identity and resilience. At the Aboriginal Resource Centre, Kerry is a trusted and valued community member, contributing to potluck gatherings by preparing his favourite dishes and ensuring that community elders are served with care and respect.

In his role as a volunteer with the CNC Students' Union Indigenous Students' Collective, Kerry demonstrates a strong commitment to inclusion and reconciliation. He actively participates in meetings, gathers feedback from peers, and contributes thoughtful input to help shape a more supportive and culturally responsive student environment.

Kerry's ability to build bridges between cultures, his leadership through service, and his dedication to uplifting others exemplify the values of the Mary John Award of Excellence. His actions reflect a deep respect for tradition, a commitment to community, and a vision for a more inclusive future.

Celebrating Students' Success

Northern Collaborative Baccalaureate of Nursing Program

CNC and UNBC are partners in the Northern Collaborative Baccalaureate Nursing Program. Registered nursing candidates start their first two years of studies at CNC and complete their Bachelor of Science in Nursing at UNBC. We celebrate the following students for their achievements to date and wish them well in the next chapter of their education.

Kiefer Abela
Althea Ayson
Amreet Bal
Sheila Mae Barretto
