

The Future is Yours

Quesnel Convocation 2026

Acknowledgement of Territories and Aboriginal Partners

The College of New Caledonia is honoured to work with the Aboriginal people in this region, inclusive of the First Nations, Metis, and Inuit peoples. CNC's five campuses are situated on First Nations' territory, providing programs and services to 22 First Nations communities within our catchment region. We acknowledge the graciousness of the First Nations peoples in welcoming those who are seeking knowledge on their traditional unceded territories.

Congratulatory Messages

From the Board Chair

It is an honour to join you today in celebrating Convocation 2026 on behalf of the CNC Board of Governors.

Today marks more than the completion of a program, it reflects the hard work, perseverance, and commitment that brought you to this moment. Each of you has followed a unique path, shaped by challenges, new experiences, and meaningful accomplishments alongside your peers. Convocation is a time to look back with pride on how far you have come, and to recognize the growth that has taken place along the way.

As you move forward, whether beginning your career or continuing your education, know that you carry with you the knowledge, skills, and resilience to navigate whatever comes next. Trust in your abilities and the foundation you have built here, at CNC.

Congratulations, graduates. We wish you every success and fulfillment as you step confidently into the next chapter of your lives.

**Thank you,
Judy Vasily
Board Chair**

From the President

Dzenes hoonzoo - good day!

Today is a moment you have earned. Each of you arrived here through determination, resilience, and hard work. On behalf of everyone at CNC, it is an honour to celebrate this milestone with you.

Convocation is more than a ceremony. It is a chance to recognize the journey behind your achievement, the early mornings, long nights, and challenges you overcame to reach this point. Watching our students grow is what makes this day so meaningful.

At CNC, we speak to the vision of nus 'uzteleh—"we will create the future." Today, that future is sitting in this room. Whether you are beginning your career or continuing your education, you have built a strong foundation for what comes next.

You'll hear how proud others are of you today—and rightly so. Take a moment to feel that pride yourself, recognize what you've accomplished, and carry that confidence forward.

Celebrate this moment and the people who supported you along the way.

Congratulations, you have earned it.

Snachailya - thank you.

**Sincerely,
Cindy Heitman
President**

Special Awards

Governor General's Academic Collegiate Bronze Medal Award

The Governor General's Academic Collegiate Bronze Medal is one of Canada's most prestigious student honors, celebrating academic excellence and continuing a tradition of national scholarship recognition.

The 2026 recipient of the Governor General's Academic Collegiate Bronze Medal Award is Katelyn Shaw.

Mary John Award of Excellence

Born in Lheidli in 1913, Mary John Sr. was a devoted advocate for Aboriginal rights and cultural preservation. She and her husband, Lazare John, lived in Saik'uz and raised twelve children of their own, along with three others as family. Grounded in traditional values, she promoted economic development, cultural understanding, and education. In 1997, she received the Order of Canada for her exceptional service. In her honour, the Mary John Award of Excellence is presented annually to a CNC student who exemplifies her commitment to community service and the revitalization of language and culture.

The 2026 recipient of the Mary John Award of Excellence is Hannah Olinik.

School of Technologies, Applied Arts, and Trades

We congratulate the following students from the School of Technologies, Applied Arts, and Trades for completing their fourth level of apprenticeship studies with CNC. We wish them the best in their journey to achieving their respective Red Seal designations.
