lives, creating futures.**

# Welcome to CNC!

## Office of the Registrar

In the Registrars Office students can apply to a program, pay their tuition, get their student ID, submit documentation, order criminal records checks, and more.

## Student Recruitment

Student Recruitment helps prospective students with program information and how to apply. They also offer campus tours, Student for a Day, and other supports for prospective students.

## Testing & Tutoring

Testing & Tutoring Services (TTS) is open all year to provide students with tutoring services as well as testing services for CNC students and students that wish to write exams from other institutions.

## Student Services

The Student Services office houses a variety of student supports. Academic Advising, Financial Aid, Accessibility Services, and our Wellness Coaches can all be found here.

## International Education

Whether you need a homestay placement, information about student activities, academic advice, or a quiet place to study or visit with friends, the International Education Center can help.

## Aboriginal Resource Center (ARC)

Our Aboriginal Resources Centre (ARC) provides a culturally safe space with student support services and facilities for Aboriginal students. ARC houses a computer lab, quiet study room, private tutoring, a kitchenette, and crafting space. Ask us about the Dream Hunters student club too!

## Gathering Place

The displays in this atrium acknowledge the heritage of the First Peoples in whose territories CNC resides and celebrates the richness of their culture. We invite everyone to enjoy these works to encourage active engagement in building relationships with diverse communities, and especially to honour the First Peoples' contribution to Canada's multicultural society.

## Cafeteria

The CNC cafeteria offers a wide variety of made to order food from the grill, fresh baked goods, soups, salads, and so much more. Check out the fully stocked coffee bar or order one of our 100% fruit smoothies.

## Bookstore

The bookstore has a little bit of everything. Grab your textbooks, school supplies, CNC branded goodies, snacks, chargers and more. Your books can even be ordered online for pick-up or delivery.

## Security

Security is on campus 24/7. The red phones located across campus can be used to contact them anytime. Security can help with Safewalk's to your car, First-Aid, car jumps, and general CNC directions.

## Student Union

The College of New Caledonia Students' Union (CNCSU) is a student-run organization that has the goal of improving student life on campus. They host events, campaign for their memberships federally and provide key services at CNC such as the U-PASS and lockers. Feel free to connect with them at any time!

## Recreation

Balance your wellness with recreation! CNC offers a boutique style weight room that is packed with everything you need to complete a whole body de-stress workout or a fitness class to rejuvenate the mind and body. Join in on a scheduled activity in the gymnasium such as badminton, basketball or pickle ball.

## The Library / IT / Media Services

On the 2nd floor are our Library, IT and Media Services. Here you can check out books, browse the expansive databases full of videos, e-books, and other research materials. Book a quiet study room, rent media equipment, receive IT support and more. You can even commission the 3D printer for a fee.

## Health & Wellness / Dental Wing

CNC students will find a comprehensive range of services at the Health & Wellness Centre. If you do not have a family doctor, or if you require non-urgent care, the nurse practitioner or doctor is available. The Dental Wing offers basic dental services to the public.
