

Early Childhood Care and Learning Diploma

(Note: September intake only)

Program Overview

A diploma in Early Childhood Care and Learning provides opportunities for graduates to work with infants and toddlers or children requiring extra support. Early childhood education is a naturally rewarding and challenging career. It is full of opportunities to help children and families learn and grow.

A natural ability around young children is only the first step in the career journey. Professional caregivers face a variety of behavioural, organizational, and personal challenges.

Graduates in Early Childhood Care and Learning may go on to work with young children in a variety of settings, including:

- Child care centres
- Preschools
- Supported Child Development programs
- Infant and family development programs
- Social service agencies
- Owner/operator of early learning programs
