

Web and Graphic Design Diploma

Program Overview

If you want to work as a creative professional in a career you love, then CNC's Web & Graphic Design Program is for you. Learn visual and online communication strategies, digital art and interactive media, web design, typography, project management, and creative problem solving while you prepare promotional materials to promote yourself and other businesses.

This two-year program offers a creative learning environment that spans multiple disciplines yet still gives you the opportunity to specialize in a chosen field. Use programs like Photoshop, Illustrator, Dreamweaver and Premiere Pro along with other Adobe Creative Cloud Software.

A Web and Graphic Design Diploma positions you for careers in:

- Web development
- Digital artist
- Digital media production
- Illustration
- Advertising
- Game design
- And many other creative fields
